

# Invitation

## Turku Biomaterials Days 2017 Interfaces and Interphases

October 26-27, 2017  
Arje Scheinin Auditorium,  
Dentalia Building  
Lemminkäisenkatu 2  
20520 Turku

Program is subject to change, please follow the  
information by emails and from  
website [www.biomaterials.utu.fi](http://www.biomaterials.utu.fi)

Registration will be opened later in August

Organizers:

BioCity Turku Biomaterials and Medical Device  
Research Program and Turku Science Park Ltd

### THURSDAY October 26th, 2017

**12.10 Opening of the Turku Biomaterials Days 2017**

**12.15 Lecture and discussion "Biomaterial-Blood Interactions"**  
Prof. Pentti Tengvall (University of Gothenburg)  
Chair: Prof. Timo Närhi

**13.15 Lecture and discussion "Bone-implant interface"**  
TBC  
Chair: Prof. Timo Närhi

**14.15 – 14.45 Coffee and Poster Presentations**

**14.45 Lecture and discussion "Prosthetic Material-Resin Interphase"**  
Prof. Jukka Matinlinna (University of Hong Kong)  
Chair: Prof. Pekka Vallittu

**15.30 Lecture and discussion "Tooth substance-resin interface"**  
Prof. Leo Tjäderhane (University of Helsinki)  
Chair: Prof. Arzu Tezvergil-Mutluay

**16.15 Company presentations "Entrepreneurship interface"**

**17.00 – 20.00 Reception and buffet (with music)**

### FRIDAY October 27th, 2017

**09.00 Lecture and discussion "Interface of oral biofilms with dental materials"**  
Dr. Andrei Ionescu (University of Milan)

**10.00 Lecture and discussion "Innovation Management - Securing the long-term survival of organizations interacting in business ecosystems"**  
Docent Peter Zetting (University of Turku)

**11.00 – 11.15 Coffee and Poster Presentations**
